

To NTU-India Connect Research Internship Program,

I am very happy to write this Letter of Recommendation for student Yuvraj Tilotia in order to recommend him for your NTU-India Connect Research Internship Program. He has mentioned his desire to learn through this program and with the project work he intends to use Machine Learning and Artificial Intelligence applications in the field of game development.

Yuvraj Tilotia has been my student at Vel Tech Rangarajan Dr.Sagunthala R&D Institute of Science and Technology in Chennai in February 2018 where I taught course New game development paradigm with Unity ECS. Yuvraj Tilotia has been an outstanding student in all respects and has proven that through his hard work, follow through, and team work, he can accomplish required tasks in a courteous and timely manner.

I highly recommend you to accept Yuvraj Tilotia for this Internship Program. Please feel free to contact me if you have any questions.

Sincerely,

Goran Dambic, PhD  
Head of Game Development Study program
